Fixed Route Shuttle Service (Rehoboth Beach - Dewey Beach)

Service Dog Policy

We love all four leggers, and we are always focused on our guest's safety & comfort. Well behaved, licensed & leashed Service Dogs are permitted on our Fixed Route Shuttle vehicles traveling between Rehoboth & Dewey Beach as long as there is enough room for the Service Dog to safely travel with us, AND as long as all passengers are comfortable with the Service Dog.*

* We understand that we can't ask for your Service Dog's documentation, and we thank Service Dog owners for understanding that the safety of all passengers on & around our vehicles is our highest priority.
